

COURSE TITLE:

Dentistry and Basic Non-Opioid Prescribing in Pain

COURSE INFORMATION:

- This course is free and will help dentists learn more about the use of non-steroidal anti-inflammatory drugs (commonly referred to as NSAIDs) to alleviate pain in their patients.
- Dentists in Indiana are eligible to receive 3 hours continuing education (CE) credit for satisfactorily completing this course.
- Other health care professionals will need to check with their regulating authority to determine if this course qualifies for continuing education credit.

COURSE ID #:

1065364 - Module 1 – Main Course Material (printable)

1067203 - Module 2 – Addendum A-Hypothetical Cases (printable)

Addendum B-Analyzing the Risk of Adverse Events (printable)

*****IMPORTANT NOTE*****

The OHP suggests that you print Addendum A-Hypothetical Cases to be used as a reference in taking the Assessment. The Assessment consists of 7 questions, each question is associated with a different case in Addendum A and you may need to reference each case in order to answer the question. This assessment must be passed with 5 out of 7 correct answers in order to receive a CE Credit.

Search by Course Title keywords or Course ID. Select the “Registration” tab, click drop down box to “Select Credit Type”, choose CEU/CE, click the “Launch” button. Once you register for this course the module will automatically be added to your "My Learning" on the Home page Dashboard.

- If you search by Course Title you will have to select the module that you want in order to access the Course Details page.
- If you search by Course ID # you will automatically be taken to the Course Details page.
- On the Course Details page click on the **Registration tab**, select the **Credit Type (CEU/CE)** and then click on the **Launch button**.

HELPFUL INFORMATION:

A pdf file is provided for each subject in this course. These files may be printed for your convenience to follow along with the slides of the course and to keep as future reference. Click the link associated with each module on the tab marked “Details Page” in the “Course Description” section to print the files.

- Upon completion of each module exit out of that window by clicking the **X** in the right corner of the tab. It will take you back to the main screen for the course.
 - ✓ At this point, after completing Module 1, click on the word **HERE** to return to the course details page (Module 1 will automatically be marked “Completed”). You will then see “Module 2 of 2” under the “Course Title” blue box. Select this module. Then register & launch as you did with Module 1.
 - ✓ After completing Module 2 click on the box marked **HOME** in the upper left corner. From this page you will select the module 2 link that is marked “In Progress”. If necessary, change the credit type & Update. Then click on the box marked “Completed”.
 - ✓ You will then be taken to the Assessment.

After completing the Assessment, and with a passing score of 5 out of 7 correct answers, you may then print the Certificate of Completion. From the **HOME** page, select My Certificates then select the printer icon to the right of the course. Open the pdf file and print.
